

CHAMPION SAFE CO. WARRANTY

LIMITED LIFETIME WARRANTY

The Limited Lifetime Warranty covers:

- Damage caused by Home Fire, Unlawful Break-in, or attempted Unlawful Break-in
- Defects in Materials and Workmanship including all Welding, Steel Fabrication, Boltworks, Interior Door Defense Mechanism, and Safe's Interior
- Paint and Finish - Safe location must be climate and humidity controlled

Components not covered under the Limited Lifetime Warranty are:

- Electronic locks are covered with a two-year warranty from the lock manufacturer, mechanical locks are covered for five years. An optional Extended Lock Warranty is available and recommended. *See Extended Lock Warranty in owner's packet for details.*
- LED lighting systems are covered for one year

Champion Safe's warranty does not cover:

- Damage due to acts of God, accident, misuse, abuse, negligence, improper installation, or failure to follow maintenance and operating instructions provided in owner's manual
- Any unauthorized alterations or modifications
- Normal wear, battery replacement or combination lock change without factory approval

To file a claim you must:

- Be the original registered purchaser or factory approved transferee of the safe
- Provide proper identification for verification of ownership
- Provide a police or fire report within thirty days of incident

Once ownership is verified Champion Safe will:

- Open and repair or replace the safe at our discretion, without charge for labor or materials if not covered by homeowner's insurance
- Pay the curbside round-trip freight for the replacement safe within the Continental USA

This warranty is valid if safe is registered within thirty days of delivery
